

# How Can I Forget

Marvin Gaye

They ask me to forget about you  
Go out and find someone new  
But that won't be easy, you see  
After all the things you've done for me  
Told the men I ain't too proud to say  
With you I stand tall and strong  
Because without you, girl, I'm nothing at all

How, how can I forget you?  
After all you've done for me  
Oh woman, you'll always be a part of me  
I, I can't forget you  
It's impossible, you see  
Woman, you'll always be a part of me

Girl, I'm down on my bended knees  
And I'm begging you please, begging you please  
Woman, woman, don't set me free  
Because right this moment in the sun  
My life was wasting away  
Girl, your love gave me hope and strength  
You're the reason I'm alive today  
Girl, you don't realize what your love means to me  
It's more precious than the evergreens

How, how can I forget you?  
After all you've done for me  
Oh woman, you'll always be a part of me  
I, I can't forget you  
It's impossible, you see  
Woman, you'll always be a part of me
