

# I Can't Believe You Love Me

Marvin Gaye

I can't believe you love me  
No, I can't believe you love me  
No, I can't believe that you love me  
I can't believe that you love me  
Anymore, not like before

Whenever we're together, not a word do you say  
When I speak your name in the softest tone  
It's as though I'm all alone that's why

I can't believe you love me  
No, I can't believe you love me  
No, I can't believe that you love me  
I can't believe that you love me  
Anymore, not like before

(I can't believe that you love me)  
(I can't believe that you love me)  
(I can't believe that you love me)  
(I can't believe that you love me)  
Anymore, not like before

You don't kiss me like you used to  
You don't say those pretty words  
There's no thrill in your kiss, there's no sincerity  
I do believe you've gotten over me

I can't believe you love me  
No, I can't believe you love me  
No, I can't believe that you love me  
I can't believe that you love me  
Anymore, not like before

I can't believe you love me  
No, I can't believe you love me  
No, I can't believe that you love me  
I can't believe that you love me  
Anymore, not like before
