I Wanna Be Where You Are

Marvin Gaye

Can it be I stayed away too long Did I leave your mind when I was gone It's not my thing trying to get back But this time let me tell you where I'm at

You don't have to worry 'cause I'm coming Back to where I should have always stayed And know I've learned the meaning to your story And it's enough love for me to stay at

I wanna be where you are Anywhere you are I wanna be where you are Ev'rywhere you are

Please don't close the door to our future There's so many things we haven't tried I will love you better than I used to And give you all the love I have inside

I wanna be I wanna be I wanna be I wanna be
