

# It Don't Take Much to Keep Me

Marvin Gaye

It don't take much  
Don't take much  
Yeah to keep me  
No, not much

Just your touch  
Just your tenderness  
Just your sweet caress  
Oh

Just the pleasure of your company  
When I feel a little lonely, to comfort me  
Just to call you and know you are there  
Take me through my day, oh without a care  
If you worry about me leaving  
Throw it out of your mind  
Just as long as you want me I'll be right by your side

Oh, it don't take much  
Just your touch  
Yeah to keep me  
Baby you got it  
You got it baby  
Got what it takes  
It takes to keep me  
To keep me

When the days go by and I don't see you darling  
I might start to complain  
But all you gotta do is talk to me sweet and plain  
Let me know your love remains  
Just say you need me, like I need you  
That's enough to carry me through

You are my world  
You are my everything  
You're all my eyes can see  
You're such a part of me

It's the little things you do  
That keeps me loving you  
It ain't what you do  
It's the sweet way you do it  
It ain't what you saying  
Is the sweet way you're saying  
Just let me know you're standing by  
To what my eyes, I'll be satisfied

You are my world, you are my everything  
You are all my eyes can see  
Oh baby, you are such a part of me

Don't take much  
No not much  
Yeah to keep me  
Baby you got it  
I know you got it

You know you got it baby  
Got what it takes  
It takes to keep me  
To keep me  
Just your tenderness  
That's enough baby
