

# My Love Is Waiting

Marvin Gaye

I'm coming straight for your love baby  
Like a rocket girl  
Been so long  
I'm making plans to get back to you  
Still I'm wondering what to do  
Seems so long yeah  
I'll make it up to you  
Like a rocket girl  
I miss you baby

Miss your love  
And I miss your mind  
And your body  
We had so much love  
Love to give  
I need to love your body  
Love your body  
Here we are  
In and out of love

I hope we're learning to fall in love anew  
Girl I know, yeah  
I know your tender lovin' that's why I want you  
I need you lovin', yeah  
Need your love  
And I miss your mind and your body  
We had so much love  
Love to give  
I need to love your body  
Love your body  
Seems so long  
Since you were in my arms  
I need to rock you  
And hold you all night long  
I'm so happy to spend this time with you  
So very happy that we might start anew

Miss your love  
And I miss your mind  
And your body  
We had so much love  
Love to give  
I need to love your body  
Love your body  
Here we are  
In and out of love

Love your soul baby  
Love your soul baby  
My love is waiting for you  
I want to love you again  
I need you again

My love  
I want to love you again  
I need you again  
Been so long

Making all my plans to get back to you  
What I'm gonna do?  
It seems so long, but I'll make it up to you  
Like an IBM and a rocket girl

Miss your love  
And I miss your mind  
And your body  
We had so much love  
Love to give  
I need to love your body  
Love your body  
Here we are  
In and out of love

When I make you mine, I'll be fine  
My love is waiting for you
