

# Night Life

Marvin Gaye

In the evening when the sun goes down  
Oh, you'll find me hangin' 'round  
'Cause the night life ain't no good life  
But it's my life, oh yes it is

Many people just like you and me  
Are dreamin' about how things used to be  
But the nightlife ain't no good life  
But it's my life

Listen to the blues they're playin'  
Listen to the blues, to what's saying  
Hey, yeah

Home, it's just another place  
Oh, from that world of broken dreams  
Yes, the nightlife ain't no good life  
But it's my life, oh yes it is

Sometimes it's sad  
Then again it's happy  
Oh, mmm, sometimes
