

Please Stay (Once You Go Away)

Marvin Gaye

baby, please stay
don't go away, baby
(don't go away) please stay (please stay)
please stay, baby
don't go away
naw, i couldn't stand it, darling
(whooooo)

I won't be able to sleep peacefully
in bed without you beside me, darling darling, anymore
naw, sugar, oh
i won't be warm & secure, baby baby baby
like i was before
awww, baby
i'll just lie, tossing & turning, baby baby baby
all night long
scared that if i close my eyes
when i got ready to wake up, i might find you gone
whoo hoo hoo hoooooo

baby, please stay
don't go away
'cause i could never find nobody (stay stay stay)
make me feel this way
naw sugar
whoooooo

no i've never (i have never come)
felt this way (come this way before)
before (baby, no-ohh, no-ohh)
no i've never (i have never come)
felt so good (come this way before)
honey before (baby, no-ohh, no-ohh)
