

# Rockin' After Midnight

Marvin Gaye

Rockin' after midnight  
We'll be rockin' after midnight

After midnight, girl  
After midnight, baby  
It's time to rock, ooh  
Let me rock you, rock you  
Rock you into midnight, baby

Let me rock you into love  
I know you give me lots and lots of good lovin' baby  
After midnight, baby  
The time, the time is right for you and me tonight  
But now we've got to dance

And soon after we make romance  
You know I need your love  
Worser than the stars above  
Darling don't hesitate  
After the date, oh, no, no, no-o-o  
Sweetheart, your so good to me  
Your precious lovin' can't be beat  
Oh my sweet  
I love the way you do your thing  
Hey  
I love all the joy you bring  
I love the way you coochie-coo  
And...  
I love making love to you  
Call out in the name of love  
Call out in the name of tenderness  
Call out in the name of sweet love  
Call out in the name of happiness

I love the way you walk baby  
And I really love the way you talk girl  
And I really love the way you move  
Thrill me, thrill me, thrill me  
Groove me, groove me, groove me  
I love those little pretty ways

Want to be in love with you  
For the rest of my days  
And I even love the funky little things you do  
I'm in trouble baby  
I love your mind and your body too

My heart is yours to keep baby  
And your happiness is all I see  
And your love will be my last  
Oh, I say good-bye to the heartbreak past

Oh, yes, I'm understood  
Oh, baby do me good

I love the way you do your thing, hey  
I love all the joy you bring

I love all your pretty ways  
I love you the rest of your days  
I love the way you coochie-coo, and  
I love making love to you  
I love you baby  
I love you baby  
I love you baby  
I love you baby

So tonight when the right time comes  
I'll be getting some, get it, get it  
So tonight when the right time comes  
I'll be getting some  
Having fun
