

## Walk On The Wild Side

Marvin Gaye

Sinner, hear what I'm sayin'  
Sinner, you've been swingin', not prayin'  
One day of prayin' and six nights of fun  
The odds against goin' to heaven, six-to-one

You walk on the wild side, the Devil is waitin'  
He's waitin' to take your hand  
You walk on the wild side, you're walkin' with Satan  
Away from the Promised Land  
One day of prayin' and six nights of fun  
The odds against going to heaven, six-to-one

You better cross over, you better walk humble or you're gonna s  
tumble  
And Satan is waitin' to take your hand  
You walk on the wild side, you walk on the wild side  
Away from the Promised Land  
One day of prayin' and six nights of fun  
The odds against going to heaven, six-to-one

The odds against going to heaven six-to-one
