

## What's Happening Brother

Marvin Gaye

Hey baby, what'cha know good  
I'm just gettin' back, but you knew I would  
War is hell, when will it end,  
When will people start gettin' together again  
Are things really gettin' better, like the newspaper said  
What else is new my friend, besides what I read  
Can't find no work, can't find no job my friend  
Money is tighter than it's ever been  
Say man, I just don't understand  
What's going on across this land  
Ah what's happening brother,  
Oh ya, what's happening my man  
Are they still gettin' down where we used to go and dance  
Will our ball club win the pennant,  
do you think they have a chance  
And tell me friend, how in the world have you been.  
Tell me what's out and I want to know what's in.  
What's the deal man, what's happening  
What's happening brother  
Ah what's happening brother  
What's happening my man  
Ah what's happening brother  
What's been shaken up and down the line  
I want to know cause I'm slightly behind the time.
