

# What You Gave Me

Marvin Gaye

Like a breath of spring you came  
& as you leave, I can only sigh your name  
Cries of anguish echo from way down  
But will never reach my lips to make a sound  
Though it seems my world is crumbling  
Honey, you don't owe me anything because

What you gave me is more than enough to last  
& what you gave me is more than enough to last

You've given me so much warmth  
I don't see how I could ever grow cold  
In my room there's a picture of you & I  
That nobody has a price to buy  
I don't know what made you change your mind  
But you'll be back, it's just a matter of time

What you gave me is more than enough to last  
& what you gave me is more than enough to last

Into my life you came like a breath of spring  
Given me a song to sing  
Oh yeah, Oh yeah  
& though I know you're leaving  
I won't be grieving cause I know  
Time has a way of showing us  
The things we really need  
& no matter where you go  
I know you'll find your way back home  
Oh baby, though I know it's not reality  
You'll always be a part of me  
Because what you gave me is more than enough to last  
& what you gave me is more than enough to last

I'm going to live once again  
What you gave me  
Is more than enough to last  
I love you, I love you  
Hey now, & what you gave me is more than enough to last  
& what you gave me is more than enough to last
