

# You've Been a Long Time Coming

Marvin Gaye

You've been a long time coming  
But darlin', welcome home  
You've been a long time coming  
But darlin', welcome home

So many nights I've called your name  
Not knowing if I'd see you again  
You've been a long time coming  
But, oh, baby, welcome home

Feel, feel kinda, kinda, kinda good right now  
Feel so good baby, yeah  
You've been a long, real long time coming  
But darlin', welcome home

You've been a long, long, long time coming  
Oh, baby, welcome home

So many nights, I sit lookin' at the wall  
Hoping, praying for your call  
You've been a long, long time coming  
But oh, baby, welcome home

Feel kinda good, so good right now  
Feel so good, baby, yeah  
Ha, feel so good having you home, baby  
Yeah, yeah, ooh, don't ever leave me
