

Faith in Fate

Mary Black

Put the past away
Save it for a sunny day
Right now there's nothing I can do
Except stare right back at you
Put the future aside
I'll try my best to make it right
Right now it just seems so obscene
To picture you without me

And I hate how much we've cried
Our break was our greatest mistake
But if we try, I'll do everything I can
To keep my faith in fate

Forget everyone else
I've tried to convince myself
That it was only time we lost
But I'm not as strong as I thought
Forget who we've been with
The thought just makes me sick
Forget our year apart,
This is where we are

But I hate how much we've cried
Our break was our greatest mistake
But if we try I'll do everything I can
To keep my faith in fate
And though we've cried
Our break was our only mistake
I know we'll try and I'll do everything I can
To keep my faith in fate
