

## Faith in Fate

Mary Black

Put the past away  
Save it for a sunny day  
Right now there's nothing I can do  
Except stare right back at you  
Put the future aside  
I'll try my best to make it right  
Right now it just seems so obscene  
To picture you without me

And I hate how much we've cried  
Our break was our greatest mistake  
But if we try, I'll do everything I can  
To keep my faith in fate

Forget everyone else  
I've tried to convince myself  
That it was only time we lost  
But I'm not as strong as I thought  
Forget who we've been with  
The thought just makes me sick  
Forget our year apart,  
This is where we are

But I hate how much we've cried  
Our break was our greatest mistake  
But if we try I'll do everything I can  
To keep my faith in fate  
And though we've cried  
Our break was our only mistake  
I know we'll try and I'll do everything I can  
To keep my faith in fate
