## Faith in Fate

Put the past away Save it for a sunny day Right now there's nothing I can do Except stare right back at you Put the future aside I'll try my best to make it right Right now it just seems so obscene To picture you without me

And I hate how much we've cried Our break was our greatest mistake But if we try, I'll do everything I can To keep my faith in fate

Forget everyone else I've tried to convince myself That it was only time we lost But I'm not as strong as I thought Forget who we've been with The thought just makes me sick Forget our year apart, This is where we are

But I hate how much we've cried Our break was our greatest mistake But if we try I'll do everything I can To keep my faith in fate And though we've cried Our break was our only mistake I know we'll try and I'll do everything I can To keep my faith in fate **Mary Black**
