

I Say a Little Prayer

Mary Black

The moment I wake up, before I put on my make-up
I say a little prayer for you
While combing my hair now and wonderin' what dress to wear now
I say a little prayer for you

Forever, forever you'll stay in my heart and I will love you
Forever and ever we never will part and I will love you
Together, together that's how it must be
To live without you could only mean heartbreak for me

I run for the bus dear, while riding I think of us, dear
And say a little prayer for you
At work I just take time and all through my coffee break time
I say a little prayer for you

Darlin' believe me, for me there is no one but you
Say you love me too, 'cause I'm in love with you
Answer my prayer now, say you love me too
Just answer my prayer now, say you love me too

The moment I wake up, before I put on my make-up
Answer my prayer now, say you love me too
Just answer my prayer now, say you love me too
