I Will Be There

Mary Black

When times are hard and friends are few And you need someone to help you through Just call my name and I'll come running to your side Don't be afraid, don't be afraid

I will be there When you are lost, lost in the night, no where to run I will be there Don't be afraid, don't be afraid

When morning comes and nothing's changed And the world outside plays the same old game Just call on me and I will ease your lonely heart Don't be afraid, don't be afraid

I will be there When you are lost, lost in the night, no where to turn I will be there Don't be afraid, don't be afraid

I will be there When every one that you believe, still lets you down I will be there Don't be afraid, don't be afraid

'Cause I will be there, don't be afraid I will be there, don't be afraid I will be there

When morning comes and nothing's changed And the world outside plays the same old game When everyone still lets you down I will be there

When morning comes and friends are few You need someone, you need someone to help you through I will be there, don't be afraid I will be there, don't be afraid

I will be there When you are lost, lost in the night, no where to turn I will be there Don't be afraid, don't be afraid

I will be there When everyone that you believe, still lets you down I will be there Don't be afraid, don't be afraid

I will be there When you are lost, lost in the night, no where to turn I will be there Don't be afraid, don't be afraid
