

Lovin' You

Mary Black

I have been wond'ring
What I'm gonna do
While you are sleeping
Am I sleeping too
Well I'm just sittin' here lovin' you
Close my eyes and lovin' you
Oh I'm just sittin' back
Sittin' here lovin' you

If you've been wond'rin
Just what I would do
If I weren't sleeping
Had I not found you
Well I'd be outside finding you
I'd be walkin' down avenue finding you
Oh I'm just sittin' here lovin' you

Oh the reason that you never see me runnin' round
Fingers on my forehead couldn't calm me down
And I can't even get me up and on my feet
I have to take care of some bus'ness on the street
Oh I have been walkin' all my streets alone
I'd keep on walkin' to keep from goin' home
I couldn't quite barely conceive of you
Now I can't conceive of ever leavin' you
Oh I'm just stittin' back
Sittin' here lovin' you

Oh I'm just sittin' here lovin' you
Oh I'm just sittin' back
Sittin' here lovin' you
