

# The Honeymoon Song

Mary Hopkin

I never knew that a day like today laid before us  
I've got the sun in my heart and my heart's in the sun  
Skies are as bright as your eyes  
The horizon is open  
Love is a ceiling, feelings are reeling, free as the air

Forever on and forever  
Forever on, side by side  
Whoever knew that we two could be as free as we'd fancied?  
Fancy is free, but are we, who are bound to each other by love  
To each other by love?

Whoever knew that we two could be free as we'd fancied?  
Fancy is free, but are we, who are bound to each other by love  
To each other by love  
To each other by love  
To each other by love?
