The Honeymoon Song

Mary Hopkin

I never knew that a day like today laid before us I've got the sun in my heart and my heart's in the sun Skies are as bright as your eyes The horizon is open Love is a ceiling, feelings are reeling, free as the air

Forever on and forever Forever on, side by side Whoever knew that we two could be as free as we'd fancied? Fancy is free, but are we, who are bound to each other by love To each other by love?

Whoever knew that we two could be free as we'd fancied? Fancy is free, but are we, who are bound to each other by love To each other by love To each other by love To each other by love?
