

## About You

Mary J. Blige

Mary J Will I am in the place with the love  
Yeah, it feels, it feels good  
Mary J, Will.I.Am  
Tell 'em how ya feel

Boy you got me goin' crazy  
I don't know what to say anymore  
Cuz still I wanna be your lady  
You know that I would never walk out that door  
I'm not giving up on us but  
Things can get a little hard in this life  
But you know, you know I love you

You're everything I ever wanted  
Everything I've never wanted  
In a man, can't you see  
What you're doing to me

I'm sayin yes and sayin no  
Because I dont want you to know  
How I really feel, how I really feel

About you (you know how I feel)  
About you (you know how I feel)  
About you (how I feel, you know how I feel)

So glad to have you in my life  
(It's a new life for me, yeah)  
(Yeah, yeah, yeah, yeah, yeah, yeah)

You, you're the one for me  
I dont wanna be free  
Boy, you have rescued me  
but sometimes I don't want to be bothered  
Baby, don't think I am shady  
Just adjusting to ya  
I don't wanna confuse ya or even misuse ya  
But I love ya, I love ya, yeah, yeah

You're everything I ever wanted  
Everything I've never wanted  
In a man, can't you see  
What you're doing to me

I'm sayin yes and sayin no  
Because I dont want you to know  
How I really feel, how I really feel

About you (you know how I feel)  
About you (you know how I feel)  
About you (how I feel, you know how I feel)

So glad to have you in my life  
(It's a new life for me, yeah)  
(Yeah, yeah, yeah, yeah, yeah, yeah)

Ooh, so glad to have you in my life

So glad to have someone to hold me  
So very happy with my life  
I'm so glad, so glad, so glad

Baby, you a soul mama  
Love's what I'mma bring to you  
Quick don't pause like a comma  
Won't stall on ya when it's time to put it on ya  
Don't call on another chick I'm callin' on ya  
Won't trip on ya, I don't bring the drama  
I won't dip out when it's trauma  
I'm holdin on mama, hold up, wait a minute  
We've been through the downs ups, but stayed in it  
So glad that I've got you, that I got you  
So glad that I got you, I got you

There it is
