

**As**

**Mary J. Blige**

As around the sun the earth knows she's revolving  
And the rosebuds know to bloom in early May  
Just as hate knows love's a cure  
You can rest your mind assured  
That I'll be lovin' you always

As now can't reveal the mystery of tomorrow  
But in passing will grow older every day  
Just as all is born is new  
You know what I say is true  
That I'll be lovin' you always

Until the rainbow burns the stars out of the sky  
Until the ocean covers every mountain high  
Until the day that eight times eight times eight is four  
Until the day that it's the day that I'm no more

Did you know that true love asks for nothing  
Her acceptance is the way we pay  
Did you know that life has given love a guarantee  
That last through forever  
Another day

As today I know I'm living for tomorrow  
Couldn't make me be the past but that I mustn't fear  
Now I know deep in my mind  
The love of me I left behind  
And I'll be loving you always

Until the rainbow burns the stars out of the sky  
Until the ocean covers every mountain high  
Until the dolphins fly and parrots live at sea  
Until we dream of life and life becomes a dream

Until the day is night and night becomes the day  
Until the trees and seas just up and fly away  
Until the day that eight times eight times eight is four  
Until the day that it's the day that I'm no more

Did you know that true love asks for nothing  
(True love don't wanna pay)  
Her acceptance is the way we pay  
Did you know that life has given love a guarantee  
To last through forever  
Another day

As around the sun the earth knows she's revolving  
And the rosebuds know to bloom in early May  
Now I know deep in my mind  
The love of me I left behind  
That I'll be lovin' you always

Always  
Always
