

# Beautiful Ones

Mary J. Blige

Oh no, so beautiful  
So beautiful

I'd give my flesh for yours  
I'd sacrifice everything  
You are my door to a new beginning  
A lucky charm, potato pie  
So sweet you make me cry  
I can't deny  
The way you make me feel inside, oh

You are the beautiful one  
And I love to hold you until the sun  
Goes down on your song

Have mercy on me  
I'm crazy 'bout you  
Look at all the things your lips make me do  
You are my song when there's no music to play  
Oh I wanna marry someone like you someday

You are the beautiful one  
And I love to hold you until the sun  
Goes down on your song

Oh beautiful one, don't you ever go  
Don't you ever go, don't you ever go  
Don't you ever go

Can't you hear the bells ringing  
Doves flying in the air  
With this ring I promise to always be right there  
Through the good and the bad times forever yours  
I will remain, with your love baby in my life  
You know we can stop the rain, yeah

You are the beautiful one  
And I love to hold you until the sun  
Goes down on your song

Oh beautiful one, don't you ever go  
Don't you ever go, don't you ever go  
Don't you ever go

You are the beautiful one  
And I love to hold you until the sun  
Goes down on your song

Me baby, with me baby  
Oh baby yeah  
Don't you, don't you  
Don't, don't, don't  
Don't, don't you leave, no, oh

You are the beautiful one  
And I love to hold you until the sun  
Goes down on your song

Oh beautiful one, don't you ever go  
Don't you ever go, don't you ever go  
Don't you ever go

You are the beautiful one  
And I love to hold you until the sun  
Goes down on your song

Oh beautiful one, don't you ever go  
Don't you ever go, don't you ever go  
Don't you ever go

Yeah, oh don't go  
So beautiful  
You, you, you, you, you, you, you, you  
You, you, you, you, you  
Oh ah-yeah, oh, ooh, oh, ooh, yeah, yeah
