Uh, Darkchild, wha' Ohh, Mary J. Blige Whoa, whoa, whoa, whoa, whoa) Whoa, whoa, whoa, (whoa, whoa) (Said I couldn't do it again, but I did) Can't get you off my mind Thinkin' about you all the time Can't get you off my mind Thinkin' about you all the time The day we met was the last day That I said I would look anyone else's way Now you know that I'm with you And I'll always be true There's nothing in this world That I won't do for you Can't get you off my mind Thinkin' about you all the time Can't get you off my mind Thinkin' about you all the time The day you left, it was so sad Now I'm standin' here holdin' on to the past keep going on - gotta live your life If we grow up in time Maybe real love we will find Can't get you off my mind Thinkin' about you all the time Can't get you off my mind Thinkin' about you all the time Whoa, whoa, whoa, whoa, whoa, whoa, whoa) Whoa, whoa, whoa (whoa...yeah) Whoa, whoa, whoa (whoa, ooh oh ooh oh) Whoa, whoa, whoa (whoa) You need rocks on the 4th finger Of your left hand Tell your bride's maid to hit off my best man Always on my mind like money You my honey, there when I'm laced, there when I'm bummy Say word, it's type hard for me to get you off my mind But I still get dough of course True love, between a thug and a dove Poppin' champagne in the tub, wha! Ay yo, everything revolves around trust Cause if it wasn't for you, then they wouldn't be no us

Cause if it wasn't for you, then they wouldn't be no us
No jealousy, envy, and no lust
3-2-8 off the lot when I bust
Sittin' in the house countin' Lincolns and I'm still thinking
Can't get you off so I'm blinkin'

Sinkin', down in the silk couch, milked out Your hole in my heart got my love all spilled out

Ooh, I can't get you...

Can't get you off my mind Thinkin' about you all the time Can't get you off my mind Thinkin' about you all the time

Whoa, whoa, whoa Whoa, whoa, whoa Whoa, whoa, whoa Whoa, whoa, whoa

Can't get you off my mind Thinkin' about you all the time Can't get you off my mind Thinkin' about you all the time
