Now who you talkin to?

Michael Kors Gear On  
And Valentino  
Yves St. Laurent Platforms- Malandrino  
Full length sable  
Way down to the carpet  
Look good on the mannequin  
But wait until I rock it  
I gotcha lookin at me  
Wanna pat me like the police  
The FDNY  
Can't put out  
The fire on me  
I got what you want and  
What you need is all in me  
I'm a grown woman  
Baby, can't you see  
Keep callin'

Keep callin' me, callin' me  
Callin' me, baby  
(Keep callin')  
Keep callin' me, callin' me

I wear these Seven jeans

But baby they don't wear me  
I keep it covered up, uh  
Cause I'm a lady  
I know how to show a little somethin, somethin  
You can't see what's under there  
Cause I'm a grown woman  
I'm so sexy  
Remain a mystery  
Cause everybody always want what they can't see  
And what they can't have  
And what they can't grab  
And what they can't buy  
And baby that's me!

Keep callin' me, callin' me  
Callin' me, baby  
Keep callin' me, callin' me  
Callin' me, baby  
Keep callin' me, callin' me

She stay stuntin  
Got sweet lovin and home-cooking  
Been known to make her moan  
Til the break of dawn  
A little lady in the street  
But at home I give her a grown whuppin, yeah  
I hit the jeweler and make a chain  
Flawless white diamonds and I put that e'rythang  
Mami stylin, she knows how to accessorize  
And we some stairmasters  
I make her get her exercise  
Wit yo sexy thighs  
Body got me mesmerized  
Little boys is scurred  
And other guys be petrified  
But I can handle it  
Scramble it and  
Dismantle it  
Manage to get managed before I late night candle it  
Blow em out  
Show em out  
And show em how it's done  
And ain't no need to venture out  
She's my only one  
Yep I love my grown woman and she love me back  
Made me a grown a\*\* man  
Now what you think of that?

Now keep-keep-keep-keep  
Keep, keep it right there

I got what you need  
I got what you want  
Get it from me

I got what you want  
I got what you need
