

# Hello Father

Mary J. Blige

Hello father, it's your daughter  
Need your wisdom, drinking water  
Need your wisdom, understanding  
Can't live without your love, oh, oh

Working hard tryna make me things right (working so hard)  
I'm so glad I'm living in your light (oh, I am)  
And I can't make it without you (I can't)  
No, no, no (no, no, no, no, no, no, no, no, no, no)

It's me again, it's your daughter  
Yes, I'm knocking, need your blessing  
Need your blessing  
Can't be stressing over silly things, oh, oh

Working hard tryna make me things right (working so hard)  
I'm so glad I'm living in your light (oh, I am)  
And I can't make it without you (I can't)  
No, no, no (no, no, no, no, no, no, no, no, no, no)

This world is a tricky place (yes, it is)  
He would tell you you can, yes indeed (he would tell you you would dear)  
All the mistakes are made (and he say you can't be forgiven)  
But we gotta make our minds up, yes indeed

Working hard tryna make me things right (working so hard)  
I'm so glad I'm living in your light (oh, I am)  
And I can't make it without you (I can't)  
No, no, no (no, no, no, no, no, no, no, no, no, no)

I don't know  
Hello father, thank you so much  
I'm so grateful, for all your love  
I'm so grateful for your love, it's enough God  
I need you, only you, Lord, yeah, yeah  
I need you, I need you, I need you  
I need you, I need you, I need you  
Everything here, I am blessed and highly favored  
Because of all your love  
Jesus is the reason, yeah
