Let No Man Put Asunder

Mary J. Blige

I'm surprised to see your suitcase at the door Remember the good times, don't you want some more It's not a perfect love, but I'll defend it Cause I believe that's what God intended

We got love too good to throw away

It's not over between you and me It's not over, don't want to be free

What has been joined by God, by God Let no man put asunder Oh no don't throw it away Don't throw it away

I can hear those words spoken, understood Making bonds through love, the times are better good I'm convinced that what is meant to be will be Even the stars declare that you belong to me

We got love too good to throw away

It's not over between you and me It's not over, don't want to be free

What has been joined by God, by God Let no man put asunder Oh no don't throw it away Don't throw it away

Hmmm, oh, oh, oh yeah

It's not over between you and me It's not over, don't want to be free (2x)

(It's not over) Said I need you And I want you I got to have you every day in my dog gone life (It's not over) It's not over, no, no, no (It's not over) (It's not over) (It's not over) Said I need you And I want you I got to have you every day in my dog gone life (It's not over) It's not over, no, no, no (It's not over) (It's not over) Baby, baby, baby, oh, hmm, hmm

See, one thing I know about me and you That no matter what we go through baby I know you will be coming back someday Because I know deep inside you feel the same way Because it's not over It's not over, no, no, between you and me It's not over, hmmm na Say ooh baby, ooh baby Come on y'all, help me out, come on y'all You know what I'm saying, yeah It's not over, no, no, between you and me Come on ya'll Baby, baby, baby It's not over
