

# Mary's Joint

Mary J. Blige

oh, no no no...

I know  
That you're just a man  
But you're all the man I need  
And I know  
That you care and you'll never leave  
No, you'll never leave

I love you so  
I can't let go  
You know it's real  
The way I feel  
I want to stay  
I'll try to wait  
On you my dear  
My love's sincere

You promised  
That you never would cheat or lie  
Lie to me, don't lie to me babe  
And you promised  
That you'd trust and believe in me  
Please believe in me

Unnecessary pain (pain is pain)  
Now tell me who would get the pain  
(You know it hurts)  
If we should go astray  
What would we do  
What would we say

I wanna stay  
You know I'll wait

I wanna stay  
I'll try to wait on you, my dear  
Baby you know, Baby you know  
Baby you know, Baby you know  
I wanna stay forever and a day

Oh, I love you  
Oh, I need you  
Everything is gonna be alright

You know I'll try to wait  
I love you baby, love you baby yeahhh

Why can't we work it out  
Why baby? can't we try (why, why, why, why, why)  
You said our love would always stand the test of time

Let's take our time  
Let's build our love  
Stronger than it ever was
