

## My Life Interlude

Mary J. Blige

Oh oh oh oh oh  
Oh baby  
Oh oh thank you thank you  
Oh this is my life (this is my life)  
You are my life (you are my life)  
You are my life  
And I thank you (I wanna thank you)  
Oh I thank you (I wanna thank you)  
I thank you for that  
For blessing me
