

# Not Loving You

Mary J. Blige

You're never ever gonna cover up  
You'll always remain  
Sat there sipping on another cup  
To take it away  
It weighs so heavy so heavy, on your heart

So what you gonna do now?  
Now that you're falling, you're falling down  
There's only so much I can do if you're not loving you

Marching in to try and save the day  
And never works out  
Always hopeful that I'll make a change  
What's that about?  
It weighs so heavy, so heavy on my heart

So what you gonna do now?  
Now that you're falling, you're falling down  
There's only so much I can do if you're not loving you

I love you, I want you to be all that you can  
If I could, then I would but you know that I can't, no I can't

So what you gonna do now?  
Now that you're falling, you're falling down  
There's only so much I can do if you're not loving

What you gonna do?  
What you gonna do now?  
Now that you're falling, you're falling down  
There's only so much I can do if you're not loving you
