

## Suitcase

Mary J. Blige

I wonder if I took these scars  
And put dirt in them  
Would I brought me a brand new heart  
Will love work again  
If I keep let you hurt me  
I might have to plead insanity  
'Cause everything in me is telling me to go

Cause I can't keep on crying when I see ya  
Messing up my make up  
Thinking you gon' change  
But everything's the same  
Starting keeping secrets  
Got my heart in pieces  
I'mma 'bout to pick myself up, and go

You gon' wake up in the morn  
And find out that I'm already gone  
Got a one way ticket, here's your goodbye song  
And while you're trying to explain  
I'll be zipping up my suitcase  
While you're trying to explain  
I'll be zipping up my suitcase  
While you're trying to explain  
I'll be zipping up my suitcase

Boy had everything  
I never thought about another man  
Gave you so much control on me  
Your love really had me bugging me  
If I don't let you go, you'll just keep on hurting me more and more  
'Cause everything in me is telling me to go

Cause I can't keep on crying when I see ya  
Messing up my make up  
Thinking you gon' change  
But everything's the same  
Starting keeping secrets  
Got my heart in pieces  
I'mma 'bout to pick myself up, and go

You gon' wake up in the morn  
And find out that I'm already gone  
Got a one way ticket, here's your goodbye song  
And while you're trying to explain  
I'll be zipping up my suitcase  
While you're trying to explain  
I'll be zipping up my suitcase  
While you're trying to explain  
I'll be zipping up my suitcase  
One foot out the door  
You won't hurt me no more  
Got my things, I'm on my way  
There's no reason for me to stay  
Cause I finally see the truth  
And I refuse to be used  
I'm so cool not loving you
