

# Till the Morning

Mary J. Blige

We 'bout to take y'all way back, to love

Morning, can you touch me, can you help me?  
Morning, to the sweet stuff, let me heat up

Make me loose my mind, loose freq of time  
But I gotta work  
You keep sending messages you wantin me  
But instant messages don't be as ??  
If you wanna get me, put your energy  
You should in the real not on the phone

Yeah\_yeah  
I'm sensing it when you come close  
Boy come on cause I'm getting mown  
Oooh\_oooh  
I love it when you do that soul  
Turn it up that turns me on

Morning, can you touch me, can you help me?  
Morning, to the sweet stuff, let me heat up

Make me loose my mind, loose freq of time  
But I gotta work  
I can see you know most wrepped up in the sheets  
You got me going crazy screeming more  
If you want to get me, like you want me to be  
Than you gotta stop me for dancing on the floor

Yeah\_yeah  
I'm sensing it when you come close  
Boy come on cause I'm getting mown  
Oooh\_oooh  
I love it when you do that soul  
Turn it up that turns, me on

Morning, can you touch me, can you help me?  
Morning, to the sweet stuff, let me heat up

Make me loose my mind, loose freq of time  
But I gotta work

Morning, can you touch me, can you help me?

Okay, we gonna take you to the rooftop, c'mon!

Touch me, hold me.. kiss me, closely.. teach me, show me.. enjoy me!  
Touch me, hold me.. kiss me, closely.. teach me, show me.. enjoy me!

Now did you like it?  
How did you feel?  
Was it good to ya?  
Can you give a little more?

Now relax now baby  
Let me ease your mind  
Let me get it together

And I'll regret it till ??

Yeah\_yeah

I'm sensing it when you come close

Boy come on cause I'm getting mown

Oooh\_oooh

I love it when you do that soul

Turn it up that turns, me on

Morning, can you touch me, can you help me?

Morning, to the sweet stuff, let me heat up

Make me loose my mind, loose freq of time

But I gotta work

Morning, can you touch me, can you help me?

Touch me, hold me.. kiss me, closely.. teach me, show me.. enjoy me!

Touch me, hold me.. kiss me, closely.. teach me, show me.. enjoy me!

Touch me, hold me.. kiss me, closely.. teach me, show me.. enjoy me!

Touch me, hold me.. kiss me, closely.. teach me, show me.. enjoy me!
