

When You Wish Upon A Star

Mary J. Blige

When a star is born, they receive a gift or two
One of them is this, they have the power to make a dream come true

When you wish upon a star, makes no difference who you are
Anything your heart desires will come to you

And if your heart is in your dream, no request is too extreme
When you wish upon a star as dreamers do

Fate is kind, so kind, she brings to those who love
Love's sweet fulfillment of their secret longing

Like a bolt out of the blue, fate steps in and sees you through
When you wish upon a star, makes no difference who you are, your dreams come true
Your dreams come true
