

# You Don't Have to Worry

Mary J. Blige

You don't have to worry  
I won't waste your time  
I ain't satisfied  
You don't have to worry  
I won't waste your time  
I ain't satisfied

Love is made,  
Made of many things  
And one of them is trust  
But I can't trust you anymore  
Things you say (say) how about the things you do?  
They won't hurt me, no  
They won't hurt me anymore

You don't have to worry  
I won't waste your time  
I ain't satisfied  
You don't have to worry  
I won't waste your time  
I ain't satisfied

Love can make,  
Make a stronger man  
But you don't love me  
(You don't love me)  
And I don't feel you're always strong  
The hearts you break  
With your simple lies  
And you better watch out baby  
The next heart may be your own

I gave you  
My love, my life, my time  
Mine was your own  
Though you stripped me to the bone  
When I asked you how you feel,  
If our love was the deal  
You told me, we got it goin' on  
Now I feel that love is gone

You don't have to worry  
I won't waste your time  
I ain't satisfied  
You don't have to worry  
I won't waste your time  
I ain't satisfied

I'm alright,  
I'm alright  
I gave you  
My love, my heart and soul  
You took my love  
Now you want to take control  
When a good thing comes your way  
Why can't you stay  
I can't go on another day

You don't have to worry  
I won't waste your time  
I ain't satisfied  
You don't have to worry  
I won't waste your time  
I ain't satisfied

You know I'm gonna be alright  
You know I'm gonna be alright  
You know I'm gonna be alright  
Why why why  
You know I'm gonna be alright  
You know I ain't satisfied  
You know I'm gonna be alright

You don't have to worry
