

## Jessie's Girl

Mary Lambert

Jessie is a friend,  
Yeah I know he's been a good friend of mine  
But lately something's changed  
It ain't hard to define  
Jessie's got himself a girl  
And I want to make her mine  
And she's watching him with those eyes  
And she's lovin' him with that body, I just know it!  
And he's holding her in his arms late, late at night

I wish that I had Jessie's girl  
I wish that I had Jessie's girl  
Where can I find her, a woman like that?

I'll play along with this charade  
That doesn't seem to be a reason to change  
You know I feel so dirty when they start talking cute  
I wanna tell her that I love but the point is probably moot  
'Cause she's watching him with those eyes  
And she's lovin' him with that body, I just know it!  
And he's holding her in his arms late, late at night

I wish that I had Jessie's girl  
I wish that I had Jessie's girl  
Where can I find her, a woman like that?

Like Jessie's girl  
I wish that I had Jessie's girl  
Where can I find her, a woman...  
Where can I find her, a woman like that?

And I'm lookin' in the mirror all the time  
Wonderin' what she don't see in me  
I've been funny; I've been cool with the lines  
Ain't that the way love's supposed to be?  
Tell me why can't I find a woman like that?

I wish that I had Jessie's girl  
I wish that I had Jessie's girl  
Where can I find her, a woman like that?

Like Jessie's girl  
I wish that I had Jessie's girl  
I want, I want Jessie's girl
