

## And I

### Mary Mary

There's a name so powerful words can't describe  
When spoken demons tremble  
And all creation must bow down

Awesome are your ways  
Everyday the same  
And majesty is your name

And i/give you all my worship  
And i/wanna sing your praise  
And i/long to honor you more than yesterday

There is not any other who can compare  
To your word your life  
Your love's ultimate sacrifice

You're everything no one else can be  
You filled every space that was empty  
Lord you are everything to me
