

Happy

Mary Mary

You make me happy
Happy that I couldn't
Love me without you
Ain't no one out there that can
Do me like you do
And I can't help but smile
When I think about
'Cause you make me so happy

I'm happy 'cause I'm around you but I still feel alone
I'm mad for 1 man, 2 kids and a dog don't make no house a home
But I found out that I just can't be without you beside me
There's no doubt that your love has turned my life around

You make me happy
Happy that I couldn't
Love me without you
Ain't no one out there that can
Do me like you do
And I can't help but smile
When I think about
'Cause you make me so happy

I got more friends than I can count and I just fell in love
My career ain't doing so bad right now but nothing compares to ya
You bring me joy, I can't explain even if I had the time
You put a big smile on my face everytime you come to mind

You make me happy
Happy that I couldn't
Love me without you
Ain't no one out there that can
Do me like you do
And I can't help but smile
When I think about
'Cause you make me so happy

I could never never find another soul 'cause there is no other
Who makes me feel this way
Who picks me up when I'm down, who makes me smile when I frown
Who makes the love go around and I just wanna say

You make me happy
Happy that I couldn't
Love me without you
Ain't no one out there that can
Do me like you do
And I can't help but smile
When I think about
'Cause you make me so happy

You make me happy
Happy that I couldn't
Love me without you
Ain't no one out there that can
Do me like you do
And I can't help but smile

When I think about
'Cause you make me so happy

You make me happy
Happy that I couldn't
Love me without you
Ain't no one out there that can
Do me like you do
And I can't help but smile
When I think about
'Cause you make me so happy
Yeah
