

## Hold On

Mary Mary

Hold on to your faith  
No matter what you been through  
I know he'll make a way  
If you just hang on  
Just a little longer  
Come on hold, hold, hold on  
To your faith

I know that you have asked yourself  
Will things ever change  
And just the other day I asked the  
Same thing  
And the answer is plain  
For you and me to see  
That all we gotta do is hold on

Sometimes, sometimes I know you  
Just feel like running from  
All of the problems  
They keep coming but I know  
You won't break under pressure `cause  
You know that God is with ya  
If you feel me let me hear ya hold on

Keep on, keep on don't ever stop  
It may get hard don't give up now  
You've come too far to turn around  
You're gonna make it some way  
Somehow just
