

## In The Morning

Mary Mary

In the morning you'll be alright  
In the morning the sun's gonna shine  
In the morning no clouds in the sky  
When it's dark in your life just wait for the daylight

Someone tell me what's wrong  
Why my nights last so long  
It's gettin' hard to believe  
That you can't hear me

Then you give me a sign  
That you heard me pray  
And you let me know  
This dark night won't last always

'Cause in the morning you'll be alright  
In the morning the sun's gonna shine  
In the morning no clouds in the sky  
When it's dark in your life just wait for the daylight

So many ups and downs  
You don't know where to start  
So many nights you cried  
Life was breakin' your heart

It may seem real hard  
Ain't no help in sight  
But don't you worry  
About it tonight 'cause

In the morning you'll be alright  
In the morning the sun's gonna shine  
In the morning no clouds in the sky  
When it's dark in your life just wait for the daylight

In the morning you'll be alright  
In the morning the sun's gonna shine  
In the morning no clouds in the sky  
When it's dark in your life just wait for the daylight

And there's gonna be a day, it's gonna get cloudy  
You can't see clear  
But don't you stop prayin', prayin' for the day  
When the sun will shine, shine again

In the morning you'll be alright  
In the morning the sun's gonna shine  
In the morning no clouds in the sky  
When it's dark in your life just wait for the daylight

In the morning you'll be alright  
In the morning the sun's gonna shine  
In the morning no clouds in the sky  
When it's dark in your life just wait for the daylight

In the morning you'll be alright  
In the morning the sun's gonna shine

In the morning no clouds in the sky  
When it's dark in your life just wait for the daylight

It will be alright, just wait a while and check it out  
In the morning, in the morning  
In the morning no clouds in the sky  
When it's dark in your life just wait for the daylight.
