

## It Will All Be Worth It

Mary Mary

It will all be worth it  
It will all be worth it  
For those who do believe that one day  
He will crack the sky  
I know you can't see it now  
But one day I know you will

We see through a glass, but hardly  
A glimpse of future glory, but darkly  
Oh, what a day  
Imagining what awaits  
Amidst all of the criticism  
Skeptic views and cynicism  
Yet we pray  
Just to see Your face  
And it will

It will all be worth it  
It will all be worth it  
For those who do believe that one day  
He will crack the sky  
I know you can't see it now  
But one day I know you will

With every passing of a loved one  
The many who've gone on before use  
Makes your heart ache  
Wondering why the delay  
But with every heartbeat your faith grows stronger  
And the Lord whispers not much longer  
Your soul is stirred  
And comforted with these words  
That it will

It will all be worth it  
It will all be worth it  
For those who do believe that one day  
He will crack the sky  
I know you can't see it now

You can't see it now, I know But one day I know you will
