

One Minute

Mary Mary

I Know it now that I was such a fool
To turn my back on you
When you had given me everything
I let you down I know that's true
Now I come to realize that
There are no happy days because
You're not here, I need to know if
There's a chance for me again

All I need is one minute of your time
5 seconds of it may change your mind
10 seconds to make you see
15 to say Lord I'm sorry
For all the things I've done
It'll take 20 more to say that you're the one
9 to think it through
I'll take the one to say I love you

Late a night when I was all alone
You held me in you arms
I strayed away only to find
There was no place to hide
Lord please hear me when I say
I'll give my life you to whatever I've got to do
Show me Lord and I will live for you

All I need is one minute of your time
5 seconds of it may change your mind
10 seconds to make you see
15 to say Lord I'm sorry
For all the things I've done
It'll take 20 more to say that you're the one
9 to think it through
I'll take the one to say I love you

I'm not willing to, to give up on you
Knowing that you've always stood right by me
Until you forgive me my world won't turn
So if you hear me Lord, I'm saying that I'm
sorry
Said I'm sayng that I'm sorry

All I need is one minute of your time
5 seconds of it may change your mind
10 seconds to make you see
15 to say Lord I'm sorry
For all the things I've done
It'll take 20 more to say that you're the one
9 to think it through
I'll take the one to say I love you
