

# Put A Little Love In Your Heart

Mary Mary

Think of your fellow man  
Lend him a helping hand  
Put a little love in your heart  
You see it's getting late  
Oh, please don't hesitate  
Put a little love in your heart

And the world will be a better place  
And the world will be a better place  
For you (for you)  
And me (and me)  
You just wait (just wait)  
And see yeah

Another day goes by  
Still the children cry  
Put a little love in your heart  
If you want the world to know  
We won't let hatred grow  
Put a little love in your heart

And the world (and the world) will be a better place  
And the world (all the world) will be a better place  
For you (for you)  
And me (and me)  
You just wait (just wait)  
And see, just wait and see

Take a good look around  
And if you're looking down  
Put a little love in your heart  
I hope when you decide  
Kindness will be your guide  
Put a little love in your heart

And the world (and the world) will be a better place  
And the world (and the world) will be a better place  
For you (for you)  
And me (and me)  
You just wait (just wait)  
And see

Everybody  
Put a little love in your heart  
Put a little love in your heart  
Take a little time after today  
Put a little love in your heart  
Everybody needs a little love  
Put a little love in your heart  
Put a little love in your heart  
Yeah, somebody needs a little love  
Yes you do  
Put a little love yeah  
Ohh ohh yeah yeah  
Put a little love in your heart  
We all need just a little love  
Put a little love in your heart

Everybody needs just a little love  
Put a little love in your heart  
Come on everybody  
Put a little love in your heart
