

## Trouble Ain't

Mary Mary

Can't promise you no pain no tears  
Can't say you'll never be lonely again  
My friend  
But you see there's a remedy  
There's someone who's got  
Everything you need  
And if you hear what I'm saying  
I'm sure you'll agree that?-

Trouble ain't gon' be here everyday  
Even though sometimes it seems like it won't go away  
After you've done all that you know how

Sometimes I sit back and I think about  
Where I've been and where I am  
Right now  
See I wasn't quite sure you could  
Hear me calling  
But you were there to catch me  
When I was falling  
So I know

Oh sometimes we may just want to cry  
Then you tell me it's gonna be alright  
You can't go through life  
Living problem free  
But you got to keep the faith  
And you got to believe

So the next time you're feeling  
A little frustration  
And you going through  
A bad situation  
Remind yourself that it won't last for long  
'Cause soon it will be over and you'll be moving  
Cause
