

Strange Love

Mary Wells

Strange love, I'm experiencing a strange love
And all those funny funny things you do
They only drive me closer
And closer to you, yeah

Strange romance, they say I'll never ever ever ever have a chance
But every time I close my eyes
And try to realize it I find it harder
And harder to do

I wonder, I wonder if he ever thinks about me
And if it's so, I wanna know 'cause
Every day I love him more and more

Strange, strange affair, keep hoping that someday, one day you'll care
Enough to come into my arms so that I can give you
All my and all my, all my love, all my love, all my love, all my love
All my love, oh I just wanna give you all my love
