

25 To Life

Masked Intruder

Some people say that love is a prison,
And you're locked up
Whenever you're in it.
Well I don't buy it.
And anyway, if being locked away just meant
Waking up next to you everyday,
Well I wouldn't mind it.
In a world of nightmares,
You're a sweet, sweet dream...
Just about the prettiest thing that I've ever seen.
I've been waiting so long for a girl like you to come by.
Tell me baby, will you be mine for 25 to life?

If I was accused of digging you,
Loving every little thing you do,
Well I couldn't deny it.
And if they wanted to sentence me to a life time of loving you
tenderly,
Well I'd be delighted.
In a lifelong winter time you're the first day of spring.
Just about the prettiest thing that I've ever seen.
I've been waiting so long for a girl like you to come by.
Tell me baby, will you be mine for 25 to life?
