

Am I Only Dreaming?

Masked Intruder

I can see you baby,
In your window,
Looking down at me.
And I wanna know what's on your mind right now.
Tell me what are the odds of a pretty broad like you
Liking a guy like me?
Do I have a shot,
Or Am I Only Dreaming?

Well I guess I must be a pretty sorry sight to see.
I get turned down more than the beds at a Super 8.
Tell me, what's the chance of a little romance between you and
me?
Do I have a shot,
Or Am I Only Dreaming?
Am I Only Dreaming?

Tell me what are the odds of a pretty broad like you
Liking a guy like me?
Tell me, what's the chance of a little romance,
Come on and break it to me honestly.
Tell me what's the over under?
Can you even hear the thunder that's booming in my heart, baby?
Do I have a shot,
Or Am I Only Dreaming?
Am I Only Dreaming?
