

I Don't Wanna Be Alone Tonight

Masked Intruder

I Don't Wanna Be Alone Tonight.
You Don't Wanna Be Alone Tonight.
I don't see why you and me can't be together
Whenever we don't wanna be alone tonight.
I Don't Wanna Be Alone Tonight.
You Don't Wanna Be Alone Tonight.
I don't see why you and me can't be together
Whenever we don't wanna be alone tonight.

When you think that you're all alone
And you're feeling blue,
Just take a look in your back yard...
I'm here for you.
I'm here for you.
I'm here for you-u-hu.

I Don't Wanna Be Alone Tonight...
