

Unrequited Love

Masked Intruder

I'm in love, unrequited love
Nobody cares for me
I'm in love, I'm in unrequited love
Nobody cares for me

Every single day is lonelier than the last
Cried so many tears that I had to wring out my mask
Eating my banana splits alone is awful cold
And life's so lonely when there's no one there to hold
Seems cold and lonely is the way it's always gonna be

'Cause I'm in love, unrequited love
Nobody cares for me
Yeah I'm in love, I'm in unrequited love
Nobody cares for me

Every single day is lonelier than the last
Cried so many tears that I had to wring out my mask
Eating my banana splits alone is awful cold
And life's so lonely when there's no one there to hold
Seems cold and lonely is the way it's always gonna be

I'm in love, unrequited love
Nobody cares for me
I'm in love, I'm in unrequited love
Nobody cares for me

'Cause I'm in love, unrequited love
Nobody cares for me
I'm in love, I'm in unrequited love
Nobody cares for me

Nobody cares for me
