

## Dewey Dell

Mason Jennings

My galveston girl  
I hold you like a child  
And kiss away your tears  
My sweet dewey dell  
You've always been my girl  
You have nothing to fear  
Twisted like flower stems  
We fall asleep till morning comes again  
I'll always love you  
I'll never let you down  
You have nothing to fear  
My sweet dewey dell  
Whatever you have done  
They'll never find you here
