

Agonizing World

Massacra

Chemical Pollution
We're heading for disaster
Progressive destruction
We are all in hot water

Environmental
Deterioration
Agonizing world
Stark desolation

Bleching out chimney stack's
Industrial area
Noxious smoke/Poison gas
On the verge of asphixia

Wasted life
We have reached the point of no return
End of live
Now our future takes a turn

Nuclear explosions
No regard for life
No man's land/Danger zone
Dead silence/ No sign of life
Radioactive waste
Contamination

Agonizing world
Stark desolation

Carbonic dioxides
Nuclear radiation
Acid rain/Toxic clouds
Critical situation

Wasted life
We have reached the point of no return
End of life
Now our future takes turn
